### Form 990, Part III, Line 1 - Organization Mission

Freedom FWD - DBA Freedom Forward (the Organization) is a California nonprofit public benefit corporation founded in 2016. The Organization is working to prevent the commercial sexual exploitation of youth in San Francisco by transforming the systems that too often contribute to their exploitation. Guided by the voices of youth, Freedom Forward pilots collaborative and replicable approaches to address these systemic failures, so that all youth have the opportunity to thrive.

### Form 990, Part III, Line 4d - Other Program Services Description

### LAUNCHPADS:

Launchpads was a pilot to connect youth in extended foster care seeking housing with individuals who have extra space in their homes, for rentals significantly below market rate. Launchpads' hosts were vetted, trained, and approved by Freedom Forward. In 2021, Freedom Forward deployed its web-based app to allow hosts and youth to easily and safely connect with one another. The Organization recruited 18 hosts in total, despite the pandemic. However, Freedom Forward ultimately decided that it would not be able to scale the program the way that they hoped due to challenges of matching supply (hosts) and demand (youth) in the geography and window of availability that was needed. They wrapped up the program at the end of 2021 and shared all collateral, learnings, open-source code, and policies all online to further the sector: freedom-forward.org/launchpads-learnings

### Youth Leadership:

Forward Fellows are powerful young leaders, working to shift the narratives and systems that affect the lives of youth impacted by trafficking and/or the underground street economy in San Francisco. Supported by the Organization and the

workshops, serve as the first youth advisory board for the San Francisco mayor's task force on anti-human trafficking, and develop projects to affect their visions of change. In 2020, five Forward Fellows graduated from the program's second cohort. Their final proects included research on youth who had experienced sex trade, a focus group exploring decriminalization of sex work, a personal video advocating against the trafficking of other youth, a proposal for 24/7 wraparound services, and a song and music video about life on the streets.

### Prevention:

The Organization continued to promote its online resource for youth, www.IAmJasmineStrong.com, a youth-to-youth website and animation that supports youth in the Bay Area in learning about sexual exploitation, connecting with resources, and knowing they are not alone. They presented the resource at the San Francisco Collaborative Against Human Trafficking's annual press conference to kick-off Human Trafficking Prevention Month. The Jasmine Strong movie reached over 46,000 views by the end of 2020.

### Collaboration:

The Organization continued to be a member of the San Francisco Collaborative Against Human Trafficking and to play a critical leadership role on the Steering Committee of SF SOL, a new collaborative of organizations working to serve youth in San Francisco who have been impacted by or may experience commercial sexual exploitation.
